जम्मू। इंडियन इंस्टीट्यूट ऑफ मैनेजमेंट (आईआईएम) जम्मू के दूसरे दीक्षांत समारोह में 2017-19 बैच के 62 विद्यार्थियों को पोस्ट ग्रेजुएट डिप्लोमा प्रदान किया गया। तीन टॉपर विद्यार्थियों को चेंबरमैन मेडल से सम्मानित किया। इसमें चेंबरमैन गोल्ड मेडल सुष्मिता एम, चेंबरमैन सिल्वर मेडल रोहित रुपानी और चेंबरमैन ब्रांस मेडल मधुवंती बैनजी ने हासिल किया। हालांकि पारिवारिक कारणों से रोहित समारोह में खुद नहीं पहुंच सके।

टीचर्स भवन आडिटोरियम गांधीनगर में आयोजित समारोह में बतौर मुख्य अतिथि राज्यपाल सत्यपाल मलिक ने विद्यार्थियों को प्रोत्साहित करते हुए कहा कि किसी भी देश की असली पूंजी उसके इमारतें, पुल, सैन्य शक्ति नहीं, बल्कि उसके पढ़े लिखे और टेक्नोलॉजी में माहिर युवा हैं। दुनिया भर में किसी भी स्तर पर कामयाबी मैनेजमेंट से आती है। उन्होंने यह भी कहा कि विद्यार्थियों को नौकरी पाने वाले से ज्यादा नौकरी देने वाला बनने की कोशिश करनी चाहिए। राज्यपाल ने विद्यार्थियों को

राज्यपाल सत्यपाल मलिक ने कहा कि देश में शिक्षा की गुणवत्ता बेहद खराब है। आजादी के बाद से आज तक संसद में शिक्षा के मुद्दे पर बहस नहीं हुई। देश में आज तक कोई भी सरकार हो, उसने शिक्षा पर बजट के 6 प्रतिशत से ज्यादा का हिस्सा खर्च नहीं किया। उन्होंने इस पर नाराजगी व्यक्त की। उन्होंने बिना नाम लिए देश के बड़े उद्योगपतियों को भी देश और शिक्षा के विकास में सहयोग नहीं देने पर लताड़ा। कहा कि बड़े-बड़े सेठ बेटी की सगाई पर एक हजार करोड़ खर्च कर देते हैं, लेकिन उनके पास शिक्षा की हालत सुधारने के लिए फंड देने के नाम पर पैसे नहीं होते हैं। जबकि दुनिया के अन्य देशों के उद्योगपति शिक्षा को प्राथमिकता पर रखते हैं। उन्होंने कहा कि मेरा बस चलता तो देश के ऐसे उद्योगपतियों पर जबरदस्ती सेस लगा देता। उन्होंने कहा कि मेरी नजर में समाज के सम्मानित लोग सीमा पर खड़े जवान, किसान, गरीब और भूष में मेहनत करने वाले लोग हैं। उन्होंने अपने भाषण की शुरुआत में मजदूरों के अंदाज में कहा कि मुझ जैसे कम पढ़े-लिखे को इस दीक्षांत समारोह में शामिल होना मेरे लिए गर्व की बात है।

नसीहत दी कि जीवन में प्रयासरत रहने की आदत छोड़ें नहीं।

समारोह में आईआईएम जम्मू के चेंबरमैन विजय गंधीरे और डायरेक्ट वीएस सहाय ने विद्यार्थियों को डिप्लोमा प्रदान किया और विद्यार्थियों को कर्तव्य-निष्ठा की शपथ दिलाई। समारोह के उद्घाटन मौके पर कोलगेट पाल्मोलिव एशिया हांगकांग के अध्यक्ष मुकुल देवरस, आईआईएम चेंबरमैन विजय गंधीरे, डायरेक्ट वीएस सहाय भी मौजूद रहे। देवरस

ने विद्यार्थियों से कहा- ‘आपकी पढ़ाई पूरी हो गई है, लेकिन सीखना जारी रखें।’ दुनिया भर के कॉर्पोरेट में नैतिकता का बहुत महत्व है। उन्होंने सभी को अपने मूल्यों पर रहने, लगातार सीखने, विनम्रता और लक्ष्य को हासिल करने के लिए दृढ़ विश्वास और जुनून से भरे रहने की सलाह दी। साथ ही समझाया कि कामयाबी का कोई शॉर्ट कट नहीं होता है। वहीं अपने माता-पिता और राष्ट्र को न भूलने की सलाह दी।

गोल्ड मैडल जीतने पर सुष्मिता एम ने बताया कि काफी खुश हूँ। मुझसे भी ज्यादा मेरा परिवार खुश है। मेरे माता-पिता दोनों केरल में टीचर हैं। कोच्चिन यूनिवर्सिटी से 2016 में बीटेक किया था। इसके बाद तीन महीने टीसीएस में नौकरी की। फिर नौकरी छोड़कर सेल्फ स्टडी के जरिये यहां एडमिशन पाया। कैम्पस प्लेसमेंट में अच्छी नौकरी भी मिल चुकी है। आगे खुद के साथ देश के विकास के लिए काम करती रहूंगी।

आईआईएम जम्मू में बढ़ेगी 80 सीटें

डायरेक्टर वीएस सहाय ने समारोह में संस्थान की एक संक्षिप्त रिपोर्ट भी पेश की, इसमें उन्होंने कहा कि हमारा उद्देश्य विश्व के शीर्ष मैनेजमेंट स्कूलों में से एक बनना है। साथ ही बताया कि 2019 के नए सत्र से आईआईएम जम्मू में सीटों की संख्या 60 से 140 की जा रही है। वहीं नए सत्र में मैनेजमेंट में पीएचडी प्रोग्राम भी शुरू किया जा रहा है। उन्होंने विद्यार्थियों को बड़े सपने देखने और कड़ी मेहनत करने की सलाह दी।

लाख का पैकेज मिला है। इससे मैं और मेरा पूरा परिवार बहुत खुश है। भारत में ही रहकर काम करना चाहती हूँ। यह पर भी अच्छे अवसर हैं।

-स्वाति गुप्ता

मैं अपने माता-पिता की एकलौती बेटी हूँ। मेरी कामयाबी देखकर उन्हें बहुत खुशी हो रही है। मूल रूप से चंडीगढ़ की रहने वाली हूँ। पिता प्रोफेसर और मां हाउस वाइफ हैं। मुझे एचसीएल में 10 लाख का पैकेज मिला है। इससे मैं और मेरा पूरा परिवार बहुत खुश है। भारत में ही रहकर काम करना चाहती हूँ। यह पर भी अच्छे अवसर हैं।

आज मेरे लिए खुशी और परिवार वालों के लिए गर्व का दिन है। मुझे कैम्पस प्लेसमेंट में 12 लाख सालाना का पैकेज मिला है। इससे मैं संतुष्ट हूँ। मैंने बीटेक किया था। इसके बाद तीन साल नौकरी की। इसके बाद एमबीए के लिए तैयारी की। फिलहाल मेरी योजना भारत में रह कर ही काम करने की है।

Multi-disciplinary monitoring group will help end terrorism in J&K: Governor

JAMMU, Mar 30 (Agencies): Governor Satya Pal Malik on Saturday said the newly set up multi-disciplinary terror monitoring group (MDTMG) would help put an end to the menace in the state.

"Terror funding and terrorist organisation sympathisers are everywhere... Unless they are dealt with, terrorism cannot be wiped out," Malik told reporters on the sidelines of a function here.

The Centre Friday set

up the MDTMG to ensure synergised and concerted action against terror financing and related activities in the state.

When asked whether government employees were under the scanner, Malik said, "I am not talking about employees. I am talking about all those people who are connected with them (terrorists), who are supporting them and who are their sympathisers."

The Governor refused to make a comment on

alleged reports of certain politicians making pro-terrorist slogans.

According to an official order, the terror monitoring group will have representatives from the Jammu and Kashmir Police, Intelligence Bureau, CBI, NIA, and Income Tax Department.

It will also take action against hardcore sympathisers among government employees, including teachers, who are providing covert or overt support

If I had power, will impose cess on rich to increase budget for education: J-K Governor

JAMMU, Mar 30 (Agencies): Jammu and Kashmir Governor Satya Pal Malik on Saturday expressed displeasure over the quality of education in the country and said "it is because successive central governments had failed to provide adequate budget to the sector".

He also criticised the affluent class for not doing enough charity and said "if I get the power, I will impose cess on these people to improve education system". "I feel pain when the society respects people who have turned powerful by tax evasion,"

The terms of the reference of the group will be to take coordinated action in all registered cases that relate to terror, terror financing and terror-related activities and bring them to logical conclusion, identify all key persons, including leaders of the organisation(s) who are involved in supporting terrorism in any form and take concerted action against them.

It will have to investigate networks of various channels being used to fund terror and terror-related activities and take coordinated action to stop flow of such funds.

The ADGP CID of JK Police will head the MDTMG which will meet on a weekly basis and submit their action taken report regularly, the order said.

"The affluent class are not doing charity. Our 'Seth' (rich) can spend Rs 1,000 crore on the engagement and marriage of his daughter but cannot give Rs 500 crore to any university. If I get the power in my hand, I will force a cess on such people so that we can improve the standard of our education," Malik said, addressing the second convocation of Indian Institute of Management (IIM), Jammu.

He said the country is lacking in the quality education even after 70 years of Independence.

"The quality education, as it should be in the country, was not here. I have been in Parliament for three-four terms and noticed that when budget is passed, every other sector gets time for discussion while there is no discussion on education budget which is passed without any discussion," the Governor said.

The Governor observed that quality education is the most powerful tool for a nation to empower its citizens, especially women, and urged greater attention towards providing quality education to students.

He said the younger generation has a vital role to play in nation building and only quality education can contribute to rapid growth and development of the country and enable them to achieve what they want to.

"The education system in the country has become a guideline. I am not afraid in admitting that no government has given more than six per cent to education sector and spending such a meagre amount, you think our people will get a Nobel Prize," he said.

Malik said researchers of universities abroad have bagged many Noble Prizes, whereas India as a country has got only 11, which include six recipients who reside outside

the country while among the rest five, one was given to Mother Teresa.

"I know I am harsh in my words and will not be liked by many but I speak this with a lot of pain. The affluent people in this country, as I had earlier said, are like rotten potatoes," he said, adding they do not deserve respect which should be given to those who are standing at the borders and their parents who on receiving the body of their sons said they are ready to send the second son in the service of the nation.

He said the politicians boast of receiving invitation cards for the marriage ceremony of affluent people and rush to the venue but "I feel the farmers, labourers, industrial workers and educationists deserve more respect and when it will happen, the development scenario in the country will change".

He said his administration has made an effort to improve the education system in Jammu and Kashmir and sanctioned 52 new colleges.

"We have decided to give 50 more colleges by next year as there are places where students had to travel a long distance to continue their studies. We have also upgraded 300 junior higher secondary schools to higher secondary schools," he said.

He said he fought to get an industrial package at par with the Northeast to attract investment in the state. "There is a lot of opportunity for investment in Jammu and I would like the youth of the state to be job providers and not job seekers," he said.

During the convocation ceremony, the Governor awarded meritorious students with medals and certificates.

A total of 62 students were awarded with Masters in Business Administration (MBA) degrees.

If I Had Power, Will Impose Cess on Rich to Increase Budget for Education: Governor

Early Times Report

JAMMU, Mar 30: Jammu and Kashmir Governor Satya Pal Malik Saturday expressed displeasure over the quality of education in the country and said "It is because successive central governments had failed to provide adequate budget to the sector". He also criticised the affluent class for not doing enough charity and said "If

I get the power, I will impose cess on these people to improve education system".

"I feel pain when the society respects people who have turned powerful by tax evasion, looting money from banks and are dishonest.

"The affluent class are not doing charity. Our 'Seth' (rich) can spend Rs

On March 23, this erratic NC leader already known for his brazenness, unfounded and unnatural statements threw all ethics to winds when he declared that he wasn't ashamed of lauding Pakistan. "Wo ausalman mulk hai, wo abaad rahay, hamari aur unki basti baday, uss dosti ka mal ashiq hun... Agar unko koi k gali dega mai unko yahan se dast galyan dunga," he said in his address. Meanwhile, it is emerging as a new trend in Kashmir that otherwise mainstream politicians are posing as separatist sympathisers with a sole motive to garner votes and appease separatists.

1000 crore on the engagement and marriage of his daughter but cannot give Rs 500 crore to any university. If I get the power in my hand, I will force a cess on rich people so that we can improve the standard of our education," Malik said, addressing the second convocation of Indian Institute of Management (IIM),

Jammu.

He said the country is lacking in the quality education even after 70 years of Independence.

"The quality education, as it should be in the country, was not here. I have been in Parliament for three-four terms and noticed that when budget is passed, every other sector gets time for discussion while there is no discussion on education budget which is passed without any discussion," the governor said.

The governor observed that quality education is the most powerful tool for a nation to empower its citizens, especially women, and urged greater attention towards providing quality education to students.

He said the younger generation has a vital role to play in nation building and only quality education can contribute to rapid growth and development of the country and enable them to achieve what they want to.

"The education system in the country has become a guillotine. I am not afraid in admitting that no government has given more than six per cent to education sector and spending such a meagre amount, you think our people will get a Nobel Prize," he said.

Malik said researchers of universities abroad have bagged many Noble Prizes, whereas India as a country has got only 11, which include six recipients who reside outside the country while among the rest five, one was given to Mother Teresa.

"I know I am harsh in my words and will not be liked by many but I speak this with a lot of pain. The affluent people in this country, as I had earlier said, are like rotten potatoes," he said, adding they do not deserve respect which should be given to those who are standing at the borders and their parents who on receiving the body of their sons said they are ready to send the second son in the service of the nation.

He said the politicians boast of receiving invitation cards for the marriage ceremony of affluent people and rush to the venue but "I feel the farmers, labourers, industrial workers and educationists deserve more respect and when it will happen, the development scenario in the country will change".

He said his administration has made an effort to improve the education system in Jammu and Kashmir and sanctioned 52 new colleges.

"We have decided to give 50 more colleges by next year as there are places where students had to travel a long distance to continue their studies. We have also upgraded 300 junior higher secondary schools to higher secondary schools," he said.

He said he fought to get an industrial package at par with the Northeast to attract investment in the state. "There is a lot of opportunity for investment in Jammu and I would like the youth of the state to be job providers and not job seekers," he said.

During the convocation ceremony, the Governor awarded meritorious students with medals and certificates.

A total of 62 students were awarded with Masters in Business Administration (MBA) degrees.

The Centre on Friday set up the MDTMG to ensure synergised and concerted action against terror financing and related activities in the state.
