**Prospects**

**MAY 03, 2022 19:27 IST**

The integrated MBA program, IPM (Integrated Programme in Management) is the most sought after course amongst 12th class students. IPM is a 5 year program that combines the undergraduate and postgraduate (MBA) studies. It is offered in different combinations that includes BBA + MBA, BBM + MBA, and BMS + MBA to prepare a candidate for managerial jobs and boost their career opportunities in different fields. Recently, IIFT has launched an Integrated Programme in Management course.

### **Why to Pursue IPM from Top B-Schools?**

The five year integrated program stimulates the managerial skills of the students.

In the Integrated program, the students do not need to appear for the entrance exam twice (at UG and PG level), therefore saving a year of the candidate that goes into preparation for entrance exams.

Many IPM programs offer foreign exchange opportunities ranging from 3 to 5 months. The exchange universities are in parts of Taiwan, Europe, and Brazil.

The management course equips students with the tools and techniques that are used strategically to improve the performance of a business

The course provides a strong foundation in the fields of psychology, management, law, and philosophy for an all-round development of the students.

It develops a holistic approach to boost logical decision making and innovation.

The [IPM course](#) increases opportunities for a student to gain a practical exposure as part of summer internships and live projects.
